information page.*

## Watertown High School Red Card Meeting

All students thinking about participating in any sports as a participant or team manager should attend a red card meeting along with a parent/guardian.

**The dates are as follows:**

Monday, November 2, 2009 – Lecture hall at 6:00pm

**Planning ahead:**

Along with other red card forms, you will need a current physical or an alternate year card turned in prior to starting **any** try-outs, practices or games. Be sure to make an appointment for your student early enough so they will be prepared to start practice upon the start of the season. Please direct any questions you may have to the High School Athletic Department. 920-262-7502

Thank You!

Mike Daniels  
Athletic Director
